Yra įvairių būdų, kaip pasiekti savo ILIAS kursus. Turite atskirti „My Courses and Groups“ ir „Favourites“.

Mano kursai ir grupės apima visus kursus ir grupes, kurių narys, dėstytojas ar administratorius esate.

ILIAS taip pat automatiškai prideda juos prie jūsų mėgstamiausių. Taip pat galite pridėti bet kokius kitus kursus ir grupes, taip pat ILIAS objektus prie mėgstamiausių.

Į parankinius visada turėtų būti įtrauktas kursų ir grupių poaibis, kad prietaisų skydelis nebūtų netvarkingas ir jame būtų tik svarbiausias turinys, kurį dažnai pasiekiate.

Mėgstamiausius darbo srityje taip pat galite pasiekti savo parankinius spustelėję įrašą „Personal Workspace“ pagrindiniame meniu kairėje.

Atsidariusiame kontekstiniame meniu kaip viršutinį įrašą rasite mėgstamiausius „Tags“.

The screenshot shows the ILIAS Open Source eLearning dashboard. The top navigation bar includes the ILIAS logo, the text "Open Source eLearning", a search icon, and a user profile icon labeled "ad". A vertical sidebar on the left contains menu items: Dashboard, Repository, Personal Workspace, Achievements, Communication, and Administration. The main content area is titled "Dashboard" and features several sections: "Favourites" with a blue informational message and a link to the Repository; "My Courses and Groups" with a message indicating the user is not yet a member; "Tasks" with a message stating there are no tasks; "Calendar" for April 2024, showing the 8th as the current date and a "Subscribe" button; and "Mail" with a message stating the object is empty. The footer contains a back arrow and the text "powered by ILIAS (v8.10 2024-03-19) · Legal Notice · Accessibility · Terms of Service".
